 Continuation of Substance of Interview including description of the general nature of what was discussed: Examiner proposed minor amendments to the claims in order to maintain the allowable subject matter indictated in the office action mailed on March 29, 2007. Agreement was reached with regard to claims 1 and 29 in order to expidite the allowance of all elected method claims. No acceptable language was reached with regard to previously withdrawn product claims 25 and 26 that would expidite the allowance if re-joined; therefore, agreement was reached to cancel claims 25 and 26..
